Experience

BlueCreek Software - *Technical Consultant* - 2021, 2022

I advised the tech leads on possible migration paths for BlueCreek Software's accounts payable automation application. Their goal was to convert their template-based website into an API-driven web application.

Vermont Information Processing (VIP), Colchester - *Web Developer (internship)* - 2020-2021

I helped migrate VIP's ExtJS 4.0 grids to ExtJS 7.4.0. This involved working with ExtJS (JavaScript) and Zend (PHP). We utilized Jira and Bitbucket for our workflow.

Calypso Continuing Education, Randolph - *Web Developer (internship)* - 2019

I led a migration effort that converted Calypso's outdated site to a brand new Wordpress site with WooCommerce and Stripe integration. I also resolved some issues regarding their Django-powered learning management system.

Education

Vermont Technical College, Williston - *Software Engineering (BS)* - 2018 - 2022

GPA 3.7 / 4.0, Dean's List for 7 semesters

Awards

SkillsUSA Web Design Gold Champion

My teammate and I won 1st place in the national SkillsUSA Web Design competition.

National Technical Honor Society

I enrolled in the NTHS for my junior and senior year of high school.
